“ Dear Nina, I miss you so much! I'm glad you finally got to be with Papa. I know you have missed him terribly since we lost him so long ago. I know I sure have too! I really miss the house on Chattham St. To me that was my childhood home. I have so many memories there! I first learned to ride a bike there. Went to school there. Played in the sandbox and ate apples from the tree. The finished basement where there were plenty of family gatherings. You and Papa are the greatest grandparents a granddaughter could have EVER asked for!! I miss you both dearly!! Love Kelly

“ In the short time I had with Trudy, I fell in love with her as a person! I miss her and am honored to have had her in my life. I am so sorry for your loss and will treasure our memories.

“ *Death has been the hardest thing to understand because it comes to anyone. It comes when we are not expecting it. I want you to know that in any situation we may be, God Jehovah does not ignore. As stated at Mathew 11:28 to go to our Lord and he will refresh us. He further confirms it His word at Psalms 147: 3. There he says that he is healing the broken hearted ones and binding their painful sport. Yes we will get to see our dead loved ones in the very near future when they come back to life.*

“ *Doreen & Kathy - I'm so sorry for your loss. I tried teaching my granddaughter how to use skates recently and it reminded me of the time on Poole Road, when Aunt Gert tried helping Lisa and Dawn to skate (or fall gently) and it made me smile. Now she's with your Dad, visiting my Dad, and hugging her own Mom. Love You, Tori*
