“ Dear Jean,

I am sorry to hear about Jack. My prayers and love are with you and your family.

It was a pleasure knowing and working with such a great man. He was a good friend and partner. I will never forget all the knowledge that he shared with me and others through his lectures and writings. We had a good time working together at the offices in Plymouth.

I thank God that I had the opportunity to be a part of Jack's life and that I was able to share the Cursillo experience with him.

May God the Father welcome Jack into His kingdom. May Jesus embrace him with his love. May the Spirit embrace you with His peace and love.
