I'm very sorry to hear that Gil has passed. He was a very good man, a great friend and always good to his word. Straight forward, honest and told it like it is. I deeply appreciated his friendship and support over the years. Couldn't have asked for a better friend. Goodbye Gil. May you rest in peace.

Gib always had great way of telling a story. Anytime he reminisced he had me completely engaged. The world could have been burning around us and it didn't matter. From growing up in WV, to cars he had in the past he had me reeled in! That giggle was all his own, and I will never forget it. So sorry to Carol and the family for the loss.

Great grandnephew - Brad
