Gina always was special to me at NJHS and APHS. We both played the flute and she was so sweet! She made the perfect Homecoming Queen. I have often thought about her and I'm so sorry to hear of her passing. RIP Beautiful Gina.

“ I remember singing with her on the worship team from our previous church. What a sweet spirit she was, and still is in Heaven.

“ *I know everyone says this about their Mom, but my Mama Gina was the best Mom on the whole entire planet and I will miss her dearly. No matter how bad things got, and even near the end, she always had a great sense of humor, a loving heart, and a positive outlook. I know she will be remembered fondly by the many lives she touched.*

Even in her last weeks, Gina was making jokes and was concerned about others. She refused to complain, even when she was in considerable pain. She exuded joy and love as long as she had the strength to do so. We have much to learn from Gina, whose memory is a blessing.

Gina was so kind caring loving.. And fun and easy to spend time. I am so heart broken of the news.. I'm thankful we met at NRC and spoke about our faith, our hopes, and her love for her son.. Zack as he was brought up every conversation.. (Even though i only met you Zack infrequently in visits with your mom many years ago). Many prayers for you Zack and family..

I remember meeting Gina when we were both young and newly married. She was lovely, graceful and has the most beautiful smile. I wanted to be just like her. Rest in peace, sweet lady.

I knew Gina back in the '70s when we worked together at a savings and loan. I remember Gina as a kind, fun and happy person. I am sorry to read of her passing. My thoughts and prayers are with you!

We had over 8 years together, and those times will never be forgotten. Such a sweet, big hearted, strong spiritual, fantastic lady. I'm sure God will embrace you with everlasting love in heaven. May you rest in loving peace.

Gina was a faithful friend who would go out of her way to visit with me when I came to MI. She was beautiful inside and out. I'll miss her sweet spirit.

I met Gina at First Baptist of Northville where we sang in the choir together. We really had fun and many laughs while singing praises to the Lord. She was sweet and kind. Remembering Gina is very pleasant and tender even after all these years.

“ That smile was always on her face. I am shocked at how quickly this went. She was so full of grace during all of this though..... I do know that my family and I will really miss her.... Gina, you were loved more than you realized.... Gina loved her family but Zack was her heart. I love you sweetie! What a joyful time you must be having in heaven, your voice is back now too. No more pain, no more suffering....

“ *"Aunt Gina" gave the most creative presents to her nieces and nephews! I remember getting a pillowcase with my name on it and that was a favorite gift for quite a long time. Ways separated and I wasn't able to see her again, only occasionally hear of her through the family newsline. I'm sorry to hear of Gina's death at what seems like such an early age. Our condolences to those closest to her and those who were near to her in her last days.*
