“ Dear Lynne and family, my prayers are with you during this sad time in your lives. Always enjoyed working with Marv on the 1961 Class Reunion Committee meetings. He always made himself available for whatever job needed to be done no matter how involved the task - always gave more than 100%. Felt Marv to be a kind soul because of his calming presence. Will miss his smiling face and wit. Marge Coogan

“ *Lynne and family,  
May you find some comfort in all the love  
pouring out to you now - your husband / dad /  
gpa / ggpa was truly a special person. As a  
Vistas' neighbor, our chats were primarily  
when I was walking my dogs, and he was busy with a project in the  
garage. He always had a big big smile, and that time spent lifted my  
spirits the rest of the day! He will be missed, but his presence will be  
with us forever 💕🙏  
May God's love and all the wonderful memories of Marv give you  
strength and peace in the coming days.

when he spoke at Larry's funeral. I have listened to it several times

“ Marv we are going to miss you so much. You have been such a wonderful neighbor and friend. Always there when we needed a helping hand as we are quite useless when it comes to home or car repairs, but there you were. Never a kinder man have we met. May you rest in peace our dear friend.

“ *Marv, To our friend and buddy! You left us too soon my friend! I will forever remember all our good times and especially in Florida when I told you how to get that curtain up Lynne wanted. Another time was the day we saw you in the hospital, I got you to smile!! and that is embedded in my mind. At least we know now, you are pain free and at peace. With all your friends you have, don't worry about Lynne....we will take care of her!! When our time will come, we'll see you on the other side....Love, Cammy and Rodger*
