“ *I am truly going to miss my dad! I loved him very much! He was a wonderful man and a great father I couldnt ask for better ! He was also a good friend to many ! Just like the scriptures says To have a friend you must show yourself friendly! well my dad had many friends and it was because he knew how to be a good friend to others . True friendship is a give and take it is not a one way street! my dad was there for all his friends and loved ones ready to help in any way he could ! I love you so much Dad! Please give mom a big hug and kiss for me! and it won't be long until we can all be together in heaven ! what a day that will be ! There will be a huge void in my life without you but we shall meet again!*

“ *Dear Debbie, As you know, I thought the world of my Uncle Glen. I still have very fond memories of going to the pony pulls and spending time with Uncle Glen, Aunt Polly and my cousin Debbie during several summer visits. I have never met a man with so many friends and who was so well thought of, as your Dad was. You, Curt and the girls will be in our thoughts and you know we love you guys. We only wish we were there to give you a big hug. Kenny & Marilyn Lewis*

“ *Debbie, I am so sorry about your dad. I know this is a very sad time for you, but we can only imagine how happy your dad is right now to be in the presence of his Lord and Saviour, Jesus. I know the angels sang when he entered into Heaven and ran into the arms of God, as God said to him "Welcome home my son." Love and prayers to you and your family.*
