“ *Mom, dad has now made his way to you. I know this is where he  
wanted to go, I was not ready to let him go yet. This life I have  
without the two of you is going to be the hardest. I have been trying  
to find happiness but its not easy. I love and miss you both with  
everybit of my heart.*

“ *It has been five years now that I am without you and I can say  
everyday is a little easier but my heart is the emptiest without you  
here. Until we meet again. I will always love you and cherish every  
memory of you.*
