“ *My Family and I would like to express our condolences to the Family. It's comforting to know what the Bible promises ... "all those in the Memorial Tomb will hear his voice and come out." (John 5:28,29)*

“ *We are so sorry for your loss. We will miss Glenn a lot. Sorry we couldn't make it to the funeral home. We could hardly get out of our driveway. We got way too much snow to drive that far. You are all in our thoughts...Love, Tom and Chris....*

“ *Wendy: I have always enjoyed Glenn. I can't tell you how many times when I would see him that his eyes would brighten up and big smile come over his face and he'd tell me that it was "good to see you" and I really believed he felt it. Even when I was in kind of a funk, seeing Glenn and his positive attitude was a real help.. kind of a shot in the arm, so to speak. He flat out made me feel good. He was that way to Gayle and the kids, too. All of us will miss him. Our thoughts and prayers go out to you all.*

“ Our memories of Glenn are from long, long ago, when Glenn was married to Mike's cousin. He was a joyful person who was a pleasure to be around. We are so sorry for all of you who are now missing having him in your lives.

“ Wendy,

I am so sorry you have to go through this. Having gone through something very similar just 2 years ago, and having my father and brother burried out of Vermeulen, I can put myself in your place without a lot of thought. You and your family are in my prayers. Vermeulen treated us right and hopefully you will have the same experience. God bless you and your family and may Glenn be in the arms of the angels as we speak. If I can do anything for you, please dont hesitate to ask. Bill
