“ *Glenn was a great person. When he went through some health issues, we got to know each other better. I've known Glenn since he and Judy got together. But knowing him was more through Judy's eye's, until his health issues. Glenn had a great sense of humor, was very witty, and loved his wife and daughter with all his heart. We had some good conversations while he was in the hospital. I'm lucky to be able to say he was a friend. God Bless You, Glenn.*
