“ *I'm saddened to learn about Gloria's passing. She was a kind lady running her husband's Endocrinology practice I was hired in 2002 as Medical Assistant, my 1st job after moving to the US from Germany.*

*She and Dr. Ali helped me getting acclimated in the medical field faster, answering my many questions, and made me feel welcome. I will never forget her as she was a true lady.*

*Rest in peace Gloria, Ruhe in Frieden.*

“ *Gloria was like an aunt to me as Ali was like an uncle. Ali and my parents attended the same medical school so as forever friends I got to know Gloria when I was young. In fact she was my boss (and why I LOVE the picture of her with the Boss cap on!) from 1992-94 when I was a medical assistant in their Endocrinology practice before starting medical school. Gloria was what held the practice together. Firm, but always kind and quick with a confident and sincere smile. I felt like I was in a place of perfectly blended love and discipline while working for her.*

*I am truly saddened by her loss and pray for her family and Ali, who love her dearly and who I love as well as I loved her.*

*Rest In Peace Gloria. You will be sorely missed. May God lift your soul On High and with your glorious smile which will help Heaven shine even brighter.*

*Love you  
Tom*
