“ *My family and I would like to send our condolences to your family. I would like to share with you something that i find comforting at 2 Peter 3:13. "...there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell."*

“ I am so sorry to hear about Gloria. I know there are no words to help with what you are going through. Focus on family and being there for each other, just as she would. And remember she's always there with you. Sometimes years go by before we can look back and remember those who have touched our lives, as she did. You and your family will always hold a special place in my heart. Sheri

“ Seeing you hurt so much physically saddened my heart. Knowing that your pain has been lifted and that you are walking with our Lord is what keeps me smiling. There aren't enough words in the world to express how much I miss you. Your love, support and motherly guidance meant more to me than anyone will ever know. I am forever thankful to have been blessed with such a loving, caring Grandmother. Until we meet again...With All of My Love, Mandy Lu

“ I will miss you dearly Grandma. Nothing can take your place in my heart and memories. I can only hope that my new wing of the family makes you smile and glow with pride from above. I love you immeasurably and will make sure to take Patrick to the purple cow every time we go to Meijer, just like you would for me, Mandy and Vince. OXOXOXOXOX
