“ *Dear Sister Gloria, You always sent out the funniest Birthday Cards - never could figure out how you would find them - I still have quite of a few! One day, we shall meet again. Rest in blessed sleep now. God and His Angels are watching over you. Love, Sr. Mary For there is no friend like a sister In calm or stormy weather; To cheer one on the tedious way, To fetch one if one goes astray, To lift one if one totters down, To strengthen whilst one stands. (C. Rosetti 1862)*

“ *Gloria.....you were one of a kind. I am so glad that I had the good fortune of knowing you and laughing with you, It is your legacy, the way you saw the world, and laughed at it, and brought us all in on the joke. Rest peacefully.*

“ Mom, I miss you so much. Not being able to call you and talk to you is such a empty feeling knowing I can't just hear your voice. I miss your laugh. I will always love you. Today is going to be a hard day. Please help give me the strength to get thru it. I miss you. Michael

“ Glo, I miss you so much already. The void is huge and the silence from your absence is deafening. Send my best to Duddy, Noah and Uncle Guido and watch over all of us. As always, I will keep you in my prayers and you do the same. I'll make it a point to remain in touch with the boys. That should do your heart good. I love you. Ben

“ Dear Terry , Paula, and the Papay , Blanco, and Miller families I share in your sadness. Gloria was a good friend for a long time and we had many good times together as we watched our children grow. I will always remember her and her smile and laugh from those early days . Though time and circumstances have kept us apart for years It was my pleasure to know her and she always treated me nice . I am saddened by your loss but will always treasure our friendship and remember Gloria as a good friend to many , a good mother, wife , sister and daughter . May God comfort you all in this time of sadness.
