“ *Gloria was a terrific person. I had the priviledge of working with Gloria for 12 years. She was my rock. Whenever I needed a friend she was always there for me. I could always talk to her about anything, and she always listened. She will be greatly missed. We all loved her. Tami*

“ Real estate in heaven has just had an angel enter its gates. Gloria is there getting all the closings in order and making sure the heavenly title companies are organized. We will miss her here on earth but know that her work continues on in heaven where she is at peace and no longer suffering. She was loved by everyone and we will miss her soft spoken voice and friendly smile. God bless her!

“ I had the opportunity to work with Gloria on several transactions. Each and every time the transaction closed, I thought to myself how lucky Chris was to have her working with him. She was always pleasant, cheerfull and organized. I actually learned quite a bit from her during the closing process of those transactions. I wish her family my heartfelt sympathies, I personally know that she will be missed. Kim Millen Remerica Integrity

“ Dear Bob, Beki, David & Family, I'm so sorry to hear the news of Gloria's passing and wished I could have been there for her homegoing yesterday. I also have such sweet memories of Gloria from our weekends in the Glen Ellyn home with our "babies" and sewing. Cool calm Gloria. Thanks for being my friend/family. love,

“ I write to do just like the greatest man whoever lived the earth did, as recordrd at John 33:35. He cried with the bereved. And also Romans 12-15 tell us the same. I encourage you to read the scriptures from your personal copy of the Bible. The comforting message is that God has promised to raise back the dead and you wil be able to see Joseph again and no man will say i'm sick again. John 5:28-29 and Isaiah 65:19 confirms that. Sincerely
