“ *Some of my BEST memories of my grandpa are going to their house in the summer and swimming in the pool with all of my cousins. When I was really young grandpa would swim with us. He liked to dunk and splash us (as did my dad, apple didn't fall far from that tree). Grandma and Grandpa always loved having their family over and I know they enjoyed watching their grandkids and great-grandkids play in their pool. They are loved and missed so much.*
