“ *Mrs Caron was such a pleasure to know. She was a very happy person and spoke highly of her family. we remember past days when her and pat plaza (rip) were Girl Scout leaders- what a fun time. In recent years stopping by to chit chat when we attended the Plymouth ice sculptures. We will continue to keep her and your dad and the rest of the family in our prayers. God bless you all.*

“ It's hard to know where to begin. Spending time at the house on Plainview. Loving her meals; especially her Chicken & Dumplings and I'm sure Cracker Barrel stole her recipe. That captivating smile of hers was brilliant. She always listened to what I had to say growing up whether it was nonsense or not. Knowing that her & I were fellow Gilwellian's or Wood Badger's. The 2 people that I always have & still love & think of everyday are Aunt Grace & Uncle Larry. Love you Aunt Grace always & will miss you but you are always in my thoughts. <3 Gerry

“ Mom, I feel so lost without you. It feels so strange to not be able to pick up the phone to call you. Your plan was to see Kristin & Evan get married. You spent the entire weekend with your family and friends. It still doesn't seem real, but dad is waiting for you with open arms. I Love You and you will always be my hero❤️❤️ Love, Lori
