“ *Grace always had a smile and infectious laugh. She was the best cookie maker I knew, and her crafting was spectacular. She loved her family and if you were her friend it was a gift from heaven. Your presence will be missed. Every time I see a cardinal I will think of you.*

“ We are neighbors of the Snyder families and, although we didn't personally know Grace, we know how close and devoted her family was/is to both her and Blair! Family get togethers were always filled with laughter and love! Her devoted husband and family were inspirational in the way they rallied around her during every up and down she had, and they always tried to fulfill every need she might have. All of this was obviously a testament to the wonderful lady she was in this lifetime! Our sincere sympathy and condolences are with you all during this painful time of transition! May your beautiful memories bring you comfort and the love and concern of family and friends give you strength!! Sending hugs and continued prayers!!
