“ *Thomas,*
I just heard of Grazyna's passing. I worked with her at the Ann Arbor Penney's and used to stop in at the Westland Penney's to see her. I was shocked as she never mentioned her problem. She was a wonderful person who always made us laugh.
God be with you as you guide your children thru this tragic time.

“ *Dearest Julia, Alex and Daniela,*
How well we remember that one summer at the beach in Avon, NC. We all had a wonderful time. And through our good friends, Lech and Jolanta, we were able to know Grazyna. She was a beautiful person, inside and out. She brought joy, liveliness and good times to gatherings. Her smile was infectious, her caring manner - endearing.
Although we are not able to be there, we want you all to know we send our deepest sympathy and share in the sorrow of your loss of such a great woman, mom and daughter.
We hope you will visit with us when you come east.
All of our love,
Carol and Martin Odom
