“ *We were lucky enough to have Dave and Grace here with us in Seattle for a year. Grace came to our rescue when we lost our nanny and took care of Sam and Shane after school for a year. Thanks for doing that Grace, the kids will remember their times with you.*

“ We remember all of our good times visiting at your house over on Chapel. I don't have any pictures of those times, but they were many and great. Also remember us going to a haunted house when Jim and I and Dave and Grace were dating. That's the only haunted house I've gone to as an adult, it was a really good time.

How could I have forgotten to mention all of the wonderful snacks Grace made when we came over....and by snacks I mean enough food for the whole block! Wonderful, homemade polish food.
