“ *I am so sorry for your loss. I know Greg must have been one of a kind. It is often said that death is a natural part of life. However, it cuts like a knife. God hates death. He views it as an enemy. Job 14:14,15 clearly shows the hope and comfort that Job felt when he was sick.*

“ *Cheryl , David and Family , It was such a shock to hear about Greg. I truly feel he was such a soft spoken man and so kind. I remember all the fun we had when we all worked together at frameworks. That seems like a hundred years ago. I know he is in a better place and looking down on all of you. All his family his niece his nephew and all those precious great nieces and nephews. He was so proud of all of them and the puppies too. Please know hat our thoughts and prayers are with you at this time. Love the Andrzejewski Family.*
