“ I remember Grandma's funeral and we were all together at the funeral home celebrating her life and how much she'd meant to each of us. Out of nowhere, Greg walks in with my guitar and told me I was supposed to sing Grandma's song, "Lady". I don't know how I made it through that song, but I did, because Greg remembered. I love and miss him dearly and look forward to the day we are all together again. I don't think I will ever meet a sweeter soul. Rest in peace cousin. Rick and Judy Bantau

Greg and I stuck together like best buddies on every camping trip up north at Higgins lake, we had so much fun going to the "Cut" to swim in the cold stream and catch minnows. I will miss you cuz.
