“ He was a great guy. I met him while working for a preservation
company. Always laughing and joking. He will be greatly missed.
RIP my dear friend.

“ Greg and I worked together years ago at highland appliance. He was always smiling and laughing and that's how I remember him. He was a friend and always had my back, seemed life threw him some curves and I hope his last days were at least happy ones. He was larger than life back in those days so sad to see him go out like this. Hopefully he is in a better place now! Condolences to his family and closer friends.
