“ *Dear Hood Family,
My deepest sympathy for all of you. I know what a difficult time this is for you all. My heart hurts for you.
I have a visual of my mom and dad hanging out with your mom and dad right now. As the old story goes I think my dad is perched high atop your dad's shoulders with my mom and your mom laughing. I truly believe they are all at peace now. Take care of each other during this difficult time.
My sisters and I all send our condolences. We are leaving for Vegas tomorrow, but you will be in our thoughts and prayers.
Love,
Brenda*

“ Dear Hood Family: Your dad and I worked together for several years. He was the best supervisor and manager of people I have ever met. I was so fortunate to have him work for me. He was a great man, friend and marine. The world is a better place because God shared him with us. My deepest condolences on the loss of your father. I will send a donation to St Joseph's Hospice. God Bless!
