“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com) Sincerely, Carlos & Sandy*

“ From the day I met Hanh I could tell what a great and kind hearted person he was. He would drop whatever he was doing if you needed help, I remember him fix a couple of my older cars, and he would ask me how they were running for the next couple months, because he didn't want me to break down. He always had any tool you might need, the last tool I borrowed from him was a chainsaw that I took forever to get back to him. Whenever he would see me he would say "YOU STILL GOT MY CHAINSAW BOY!!" I am gonna miss you Hanh your always in my heart and I'll never forget about you, till we meet again..

“ *My Uncle is the greatest. He is the type of guy that always put others before himself, he helped anyone in need and always did it with a big smile. He was a second dad to me growing up, whenever us kids had a problem with our cars Uncle Hanh was the man we called. I remember one time my car broke down and I was so scared to tell my dad because my dad would scream at me so I called my Uncle Hanh and he came to my rescue and pulled my car with his truck using chains back to my house. He would drop anything to help someone and he treated me and my sisters like we were his own. His smile and laughter always lit up the room. I'll cherish every memory and moment spent with him. I love you so much Uncle Hanh, you are missed and loved by so many people.*

*I remember Hanh taking Jacob and Anthony to the store across the street from Lorenzos and buying them LOADS of candy and junk. No wonder our boys were energetic and silly. 🤪  
He mixed up spices that made our fish and meat taste so good. He brought us Rice Paper Wraps!  
We miss his sense of humor and his laughter.  
Liz, Anthony, Marisa, Amanda and family, we are so sorry for your loss.  
We will always remember you, Hanh. Love Terry and Mark*
