“ *My grandpa was one of the kindest people I have ever met, and I hold every single man to the standard that he set for me. He was good, and kind, and lived his life with a mischievous glint in his eyes.*

I think about him daily, and I will miss his laugh while beating me at chicken the most.

“ My elementary principal at Harrison School in Garden City over 50 years ago - some of my best childhood memories - many a dodgeball battle with Mr. Estelle after lunch in the gym - he was serious and scared the Hell out of me he threw the ball so hard! Loved the man big time - very nice and always nothing but class!
