“ *Baby, I miss you everyday! Our boys look so much like you. Anton misses you like crazy! No worries. I got this down here love. I will be sure the kids always are reminded how much their Daddy loves them. Mason never had the chance to get to know you but better believe he will know what a wonderful man his father was! There will never be a minute(second) the rest of my life that you are not on my mind. THANK YOU FOR THE 4 BEAUTYFUL CHILDREN YOU LEFT US!*

“ Dude, I don't know how to say good-bye to you. When I lost Chris, there were so many people there for me, but nobody as much as you. You showed me the very best of who you were. There was nothing that you would not do for me in my pain and grief. You pushed your own pain and grief aside to do what you thought needed to be done. And that is the way I prefer to remember you. My heart, which had not even begun to heal, has been re-broken all over again. My only comfort is in knowing that you are now with Chris again – brothers together again for all eternity. Knowing that you have no more struggles and pain eases my sorrow somewhat. Always loved and forever remembered. ~Patti

“ *My heart is heavy. Lost another dear friend. Although we grew apart the last few years you can't erase a lifetime of memories we made together. You tell Shannon and Chris I miss tgem too. And you all save a seat for Dough Boy up there. Love you and you'll be dearly missed.*
