“ *Rita, I always enjoyed conversations with Harold on vintage automobiles and negotiating a jewlery price. He was a customer of mine for many years. Harold would say, "what's that going to cost me?...okay, let me think about it." Everybody liked Harold. We'll miss him. Please let me know if we can be of service to you in any way. Sincerely, Kevin Felts and staff at Plymouth Jewelry*

“ *Dear Terri and family,*

*I was so sorry to hear of the death of your father. I know how important he was in your life, from the many family stories you shared with your co-workers. As you know, my mother-in-law passed away this past January from lung cancer, so we know what you are going through. Take comfort because he is at peace. My thoughts and prayers are with all of you.*

*God Bless You,*
