“ My condolences to Julie and all of Harriet's family in her loss. It means a lot to know how important Detroit Public TV and PBS were to the quality of her life that they have chosen to designate DPTV for donations made in her memory. The family noted that Harriet passed exactly on the 61st anniversary of the start of broadcasting by our station, and they desire that we carry on to help others. We're honored to feel aligned with who she was and what she found important, and offer our deepest sympathies. -- Dan Alpert, Detroit Public TV
