“ *To the DeNoon family. I am so sad & sorry to see Harry has passed. I have been inquiring about him, here from Calif. but with the passing of Nancy Reutter also, I don't have a connection. Nancy was Harold Johnsons sister. Harold was my husband, we Loved Harry immensely. Sending my sincere condolences to you all. I know Harry & Harold & many of their friends are together again, having the best of time.
RIP Harry

“ *Our sincere condolences to the DeNoon family. Harry has been a big part of the England family for long as we can remember. From backyard BBQ's, to listening to dad and Harry talk about their time in the Marine Corp. Let's just say they were a tad bit mischievous back then! And right up until our dad passed four years ago, Harry would grab a pizza on Sunday and go watch the Lions game with dad. Their life long friendship was something we England kids admired and we're lucky enough to be a part of. Harry was the best! He will be forever missed. Rest in peace Harry. Love, Tina, Don and Kim*
