“ *Kathy and family, I am saddened to hear of Harry's passing. He was an excellent engineer and more importantly a good man. We shared lunch time almost daily where we where able to share some of our lives beyond work. I can say that he was a very proud grandpa which was imeadialely evident with a gloating smile when he would share a photograph of Amanda. I am thankfull to have had him as a friend. Kathy, may God comfort you and family in your great loss.*
