“ *I can't believe that so much time has passed and that you are gone. We have not seen each other for a very long time. My fondest memories of you are from childhood and high school. I remember you falling off the see-saw while camping at Tawas, dancing in the ninth grad (you were good) and the white tails you wore for prom, with the cane and top hat. You will be missed. I am sure you will leave a huge void in your twins life, our beloved Bonnie. I am thinking of your family today as you move on. God Bless you.*
