“ *Harve is a wonderful friend, and a fabulous person. I always enjoyed his friendly face and joyous attitude every Wednesday at Men's Prayer Breakfast. He was one of those people you just felt comfortable to be around, and always enjoyed his company. He will be sadly missed by all. God bless Carol, and the family. May God give you Peace, comfort, and understanding, and may He comfort you in this time of sorrow.
Harve, love you brother, and we will see you again.*

“ *Harve is a wonderful man. I appreciated all of his words of encouragement and advice over the years. His presence will be missed and I know God will fill any void with enough time. Carol you are in our heart felt prayers.*

“ Harve was a wonderful guy. After getting involved in the Wednesday morning Men's Bible study and our Thursday morning Emmaus gathering, I got to know Harve better. I always looked forward to his friendly greetings and he engaged all of us in the Thursday group, asking about our lives and was genuinely concerned about how we were doing. I felt comfortable sharing with Harve what was going on in my life. I will truly miss him.

*God's Speed Harve. I know you are with him now.,
