“ Aunt Hazel was a truly loving, classy lady. I remember being about 6 or 7 and she created a flower arrangement for my parents. I thought it was so pretty and she began to show me how to arrange flowers. I've never forgotten that.

She also shared with us so many pictures of my Dad, her little brother, (Pat Murphy) as a little boy and even had them framed. She was thoughtful, kind and genuine - she demonstrated so much of what we all should aspire to be.

She had a huge heart and loved her family very much. In time, I hope you all try to find some peace with this loss. She loved you all very much.

“ Aunt Hazel was always so kind to me growing up. I remember my time with her in Florida when Grandma Murphy was so sick. She let me help her clean, made me feel important and treated me like I was much older than age 10. Looking back, I admire how she handled all of the sadness with grandmas illness with such grace. I am sure she was a wonderful mother, grandmother and great grandmother.
