“ I worked with Hazel for many, many years at University Hospital. I liked her very much and we used to kid around all the time and it was Hazel who gave me the nickname of Pork Chop. I will miss her and my heart felt sympathy goes to her family.

“ Your dear, mom, grandmother was my supervisor at the UofM paging center in the late 60's. Hazel was the best. Always giving "advice," to her girls. I have very fond memories of working with her. We are so sorry for your heartfelt loss. She is thought of fondly. Red hair and well dressed!

“ So glad I recently visited Aunt Hazel at the nursing home. We shared family memories and brought each other up-to-date. She expressed her sorrow at the passing of Aunt Irene Lowry. She was hoping to share one more casino outing in Traverse City with her. She proudly displayed her grandchildren and great-grandchildren's pictures. I'm happy that I got to see her one last time. My thoughts and prayers are with the family.
