

Heather Lynn Reulbach

September 4, 1979 - December 7, 2025

Reulbach, Heather Lynn, December 7, 2025 age 46 of Waterford Township. Loving mother of Bryelle Teets (Brownie) and Blake Thornton; stepmother of Lane and Hugh Thompson.

Beloved daughter of Linda (John) Wilson and the late George Reulbach.

Dear sister of Paul (Mimi) Reulbach, Megan (Noah) Hooper and the late John Reulbach.

Cherished aunt of Hailie and Bennie; survived by many nieces and nephews.

Also survived by Michael Thompson, Mark Vranish, and Richard Teets.

Heather was a woman of fierce love and boundless compassion, whose presence brightened the lives of those around her. With a heart full of care and a sharp sense of humor, she had a unique gift for making people laugh—or sometimes blush—with her playful wit. She often said that this mischievous side of hers was the strongest piece of her late father that lived on in her, and she wore it with pride.

Despite facing her own struggles, Heather was unwavering in her devotion to others. Her work in healthcare, caring for elderly patients, gave her a deep sense of purpose and fulfillment. Even in her own time of pain and sickness, she found solace in making a difference in the lives of those who needed it most.

Heather was a fiercely loyal friend, a loving daughter, and an incredibly devoted mother. Her spirit was one that burned brightly, and her legacy of love and laughter will remain in the hearts of all who knew her.

“ My sister's personality was huge which lives on strong in my niece and daughter Hailie. I have so many great memories with my sister, from early childhood trips camping laughing at me cuz I fell off of a bridge on my bike, to our many tanning trips (her giving me tingle tanning lotion instead of bronzer just to watch my reaction) trips to get our nails done, driving around in her first car listening to music, the teddy bear she gave me today she moved out that sang You Are My Sunshine when You squeezed his hand, most recently this time spent being by her side through much harder moments in life.
