“ *What a wonderful wife, mother and friend to so many. As has been mentioned, "Mrs. M" as I insisted calling her, was a great listener and I am honored to have known her in Michigan as a friend of Karen's, and in CA where I have lived for over forty years. I would try to call her on her birthday and other times in the year. She always sounded so impressed that I called. She made me feel special: quite a gift. Much love to all! “ I have so many wonderful memories of beloved Aunt Hedy ... visiting the farm on a weekly visit to see Grandma and Grandpa. She would sit at the kitchen table and chat with my mom. They always spoke in Polish when they did not want me to understand who or what they were discussing! The beautifully decorated flocked Christmas tree in the living room. They watched Johnny Carson on the TV in their living room which I thought was very cool. She taught me how to play the card game War and gave me popsicles to eat when We visited the Lake St Helen house. She let me hold Foeie in my lap and pet him. Her fabulous Chicken Paprikash and nut rolls and all the effort she and Uncle John put into hosting the Christmas Eve dinner party. I cherish the sound of her and Uncle Johnny's laughter during their very-late-night-into-the wee-hours-of-the-morning card games with my mom and dad at our cottage on Lake Tyrone. Hedy and John helped Eugenia, Peggy and I pull off a surprise anniversary trip to Las Vegas for my mom and dad. They helped with making travel arrangements, then surprised them at the airport for a fun-filled weekend. They always made time to stop by and visit with Brian and I when we came into town while living out-of-state. After we moved back to Michigan, Uncle John and Aunt Hedy attended our son, Steve's, surprise 13th birthday party. After our twins, Mark and Matt, were born, Hedy and John would come by for a monthly afternoon visit. They became surrogate grandparents as my mom and dad had already passed away. We had so much fun laughing, joking and sharing parents of twin stories. One time, Hedy drove out to Rochester and went to see the collection of Princess Diana gowns on display at Oakland University with Peggy and I. We then went to Lino's, her favorite Italian spot in Rochester for dinner. We would meet at MacKinnon's in Northville for lunch sometimes. I would go to her house in Plymouth and visit ... many times we ended up at J. Alexander's for a nice meal. I also have a fond memory of the time Peggy and I met up with Aunt Hedy, Karen, Bill, Joe at Bob Taylor's Ranch House in Las Vegas for dinner. I told Hedy that I always feel Uncle John's presence and protection when I am in Las Vegas. She was a good listener, asked great questions, accepted and loved me, warts and all. She will be missed. RIP Aunt

Hedy 🙏💕 Love, Romy

“ Hedy and I spent many wonderful hours together over the last fifteen years. She told me so many stories about our families; I was always eager for our next conversation! We talked by phone almost every week and took trips to J Alexander's and other places to share some of her favorite meals. I will miss her dearly. She always made me feel special...she did miss John so badly...I am glad they get to be together now. Love, Peggy

“ My mom’s baby sister...you may have been my first visitor as on your wedding day you and Uncle John came to visit your sister Helen at hospital. She had just given birth to me, and you scolded me from keeping her from dancing at your wedding! No matter, you loved me and I love you! You are an important part of me and my prayers will always be of gratitude as you rest in eternal peace.

“ Aunt Hedy. So many good memories. I remember playing on the farm when I was little, she introduced me to marshmallow fluff, her apple pies, parties, and she had a shower for me when I was an unwed mother (back in the days when those things mattered!) I got to spend time with her last Jan, Feb, & March. What a wonderful time filled with chocolate potato chips and I even made her some Kishka :-)
I miss her already.

“ My dear friend Hedy, I am going to always remember all the afternoons spent on either your porch or mine or at the kitchen table sharing stories & laughing like silly kids do. Going to the Casino (not really to gamble) but have lunch at the buffet!! I remember you baked me German Chocolate cake because that was my favorite at the casino buffet. Now you can rest in peace with your beloved John and your many dogs that you treasured as well.
My condolences to Karen, Steve, Joe, and John. Your mother loved you guys very much. She will be missed.
