“ Where do I start... She was a wonderful woman.. so go with the flow ... And I'm so glad I was lucky enough to call her my grandmother.. she made my days better.. she was the one I ran to when I needed help or needed a shoulder to cry on... Her funny sayings and faces she would make .. made my days better .. I'm glad I was able to return the favor the last few years .. whenever she needed anything.. I did my best to help.
I will miss her so dearly .. but I know Gods taking care of her now... Serena loved her dearly and will miss her so much as well .. She was such a Wonderful great grandmother ... Serena did her best to help with her pain patches and carry her food to her ... She will be missed ... Thank you Mamu for everything you have done... You will never leave my heart .

“ I still remember the day I met you, shortly before Meghan and Tony got married, you had the biggest smile on your face and the sweetest voice. You were a kind and loving person that the world is truly going to miss. I'm so grateful I knew you mamu and I'll miss you, I'm glad you're not in pain anymore.

My condolences to the whole Jones family for this great loss and may you go on knowing how truly amazing Helen was to any and everyone she came in contact with.
