“ *With sincere sympathy to you all. Helen was a very special person. My fondest memories are of her giving me hugs when I was a child, and always making me laugh. Loved hearing her laugh, and she loved making people laugh and be happy. Full of stories and jokes, what memories. She was the most sincere, loving, happy, caring person, and I am a better person for knowing her and from the joy she gave me as a child will always be in my mind and heart.*

“ *Helen, we all loved you here at Hope Health Care Center. You were such a wonderful lady, but, I will personally miss you and all the times we talked and you would joke with me with a straight face. I really loved you. I will miss you and think of you, always. Irene Wendland- Activities Director*
