“ *Im truly sorry to hear about your lost. Helen will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Helen again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*

“ Mariann, James, Aaron, Cassandra & family- My heart goes out to you. Like Justin said, Helen really was a bonus grandparent for us and will remain forever in our hearts. She was a great example to us and always had a kind word.

“ Aunt Mariann, Aaron, Cassandra, and family: Sending you my love and prayers. I never thought about it before but I always referred to Helen as "Grandma Helen" because that's what Aaron and Cassandra called her. She wasn't actually my grandma of course but I couldn't help but feel like she was practically another grandparent. She was always warm and kind, cracking a joke or cooking something delicoius in the kitchen--in a word "grandmotherly." I will dearly miss her joyful presence at family gatherings.
