“ *We too, want to express our sincere sympathy to the family of Lena, and know that you were very lucky to have her in your family. We are so appreciative that we could share in her memories of her life and family, although we are family, had never met her as far as we know. Perhaps way back when Paul was a child. Sleep peacefully Lena. You are in our prayers.*

“ *Sweet Lena, You lived your life always helping others, doing for others. From your earliest days of caring for your little cousins, you yourself a young child, to helping the seniors of Detroit in your later years, you gave unselfishly of your time and talent. You helped so much with filling in branches and twigs of our family tree, remembering 3 generations back, to your great grandparents, your memory always sharp to the end. Thank you so much for your link to the past. And now you are part of those memories. We will miss your stories, your laugh, your twinkling eyes. God bless you. Your cousins, Dorothy Moore Litton, and Georgia Litton Allison*

“ *Although we never met you will be missed. May God meet you in heaven with a smile and an embrace. You are with your maker who wanted you more than we did. God rest your soul.*
