“ *To Diane, Cynthia & Elaine and all family members my deepest feelings on the passing of your mother. For 64 years your dad, mother and I have enjoyed a friendship of corresponance. A letter and card written once a year at Christmas time. Your mother always wrote early and I always wrote late. I will miss her.*

“Helen Kutz was a little lady with a smile constantly on her face; You never heard a negative thing from this lady filled with grace. She bragged about her family showing pictures every week; And talked about the baseball game, no matter if the score was bleak. Her faithfulness at church was a measure to us all. No matter what was happening we knew she would not fall. Helene often spoke of Herb with a twinkle in her eye; The man she fell in love with, no one could deny. So after many years of service we're now grateful to see Helene is with Herb and her God; Oh how heavenly!

“Deepest sympathies for your loss. Wish we were closer and could give you all hugs, so you'll just have to feel the virtual hugs coming your way. "Toottie" (my Dad's nickname for her) was a wonderful loving person and will be missed.
