“ *To the VanDusen Family: During this time of difficulty, may you find comfort in God's Word the Bible. At Revelation 21:4 he promises that "he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." By means of Jesus Christ, Jehovah God will raise the dead, and even cause former grief to fade from our minds.*

“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by Jehovah God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ Oh Aunt Roly, you were a big part of my life growing up. You treated me just like another one of your kids. You yelled at me when I needed it and hugged me when I cried. You will forever be in my heart. You and Uncle Don and my parents had 50+ yrs of friendship and the stories will be shared for years to come. I know you are happy with Uncle Don now and your pain is no more. Do me a favor will you say hi to my grandma for me. We will all be together again one day.Until then.....love you.

“ Grandma, First off let me say that I miss you so very much. I know that you are very happy where you are now, and you are back with the love of your life in Grandpa. I cannot believe it has already been a couple days. I think to myself could I have done more, make more of an effort to come see you more. Tho at the end of the day I realize you knew how much I loved you, and I myself knew how much you loved me. That helps me sleep at night knowing that. I love you Roly, and Happy Birthday.

“ Hi Mom, First of all, Happy Birthday! I know Dad had a big celebration planned for you! I hope that you are finally at peace and have found the happiness that you've been looking for. It was a long and sometimes difficult road that we all travelled together, but I can honestly say that the path smoothed out these last couple of years. You were such a big part of my life and that is a void that will not be filled. Every moment that I feel grief, I must put that aside and think of your happiness and that you're out of pain now. You take care now, say hi to Dad and we'll see you one day. I love and miss you Mom but we'll be together again sometime.
