“ Trevor and Dawn, I'm so sorry to hear of you're fathers passing. I'll always remember how he would say my name, I think he called me Terrack, and it always made me chuckle a littel inside! And of course "All those bloody \_\_\_\_\_'s, running around like ants" when we went to Universal! Please know that all my love is being sent to you and your family. And to Olive...."I wish I could hug you and give some of that love back to you, that you showed me many years ago" God Bless and I'm with you. Tariq
