“ *Hank, I will never forget you and will miss you for the rest of my life. Thank you for making my life so different and being the best friend anyone could ever have. I will miss all those phone calls and shopping trips and even those Bray burgers on some days. I will remember all the things you taught me. I will remember your kind heart for me and my family. Sleep well, my friend. Don't forget to tell God you want to buy your lottery tickets and please let Dolly win once in a blue moon. Some day i know i will see you again.*
