“ We thought of you with love today but that is nothing new. We thought of you yesterday and days before that too. We think of you in silence, we often speak your name. Now all we have are memories and your picture in a frame. Your memory is our keepsake of which we'll never part. God has you in his keeping, we have you in our hearts.

“ Always Together I've been blessed with the world's greatest dad, I'm honored with all my memories. I hope I've learned all that he wanted to show me. He was my "rock" and I went to him often for advice and his love. I believe he will always be with me, watching over me. Never do I have to worry about being without him. As he doesn't have to worry about being without me. ALWAYS TOGETHER!!!

“ *My Dear Scummie, May You Find Comfort in Remembering Your Father. "Memories of those we love live forever in our hearts." Your father.... you'll see his reflection and hear his voice echo in the things he left behind -- in the memories that will touch you when you least expect them.... in the stories he shared... the family traits he passed down in the love that will keep him close to your heart forever. With Sympathy At This Sad Time. All My Love, Fungus*
