“ *We are truly sorry for your loss. You have our thoughts and prayers
at this difficult time. I know that your father meant a lot to my
mother. She always told me stories of when they were growing up.
She was especially proud of his WWII service as we all are. In fact, I
still repeat those stories to my girls, friends and co-workers. I know
we haven't seen each other in quite a few years, but I keep my
thoughts and very fond memories of all my aunts, uncles and
cousins in my heart.*

*Sincere Condolences,

“ George, Clare and family

*I was so sorry to hear of your loss. Please know that I will be with
you in prayer and in my heart. I remember your dad's cigars and
your mom's laugh when they would come over to play cards at my
mom and dads. It seems like just yesterday but it has really been a
long time.*

God be with you. Love, Emilie
