“ *I was so sorry to hear about the passing of Uncle Herbie. I have to believe that he is in a better place with my Dad and sister and they are smiling down on us. I have some "great" childhood memories of driving up to Plymouth from Cincinnati to visit, I loved getting to play with the German Shepard dogs and playing bowling and other video arcade games in the basement of his house. I also can remember riding in a cart on the back of his tractor out to see his garden. I loved when he came to visit us in Cincinnati because that meant we were going to Coney Island! He was always sweet, soft spoken and kind to me and I know my Dad missed him terribly when he moved back to Michigan. My thoughts are with you all.*

Love,
Jayne

“ Dear Friends,
It seems like yesterday when we were kids and we enjoyed fun times at your home. I remember Bruce banging away at the drum set downstairs, watching the pond get dug out in the back yard and then hanging out with the other neighborhood kids like the Lodges, Carol's and Fisher's. What fond memories we have of all of you and how wonderful you all were to us...you were like family. On behalf of our entire family, please know that we grieve with you and share in your loss of a fine man, father and husband. May peace and comfort be with you as you go through this difficult time.
Your friends and neighbors,
Tom, John, Perk, Jamie, Anna Maria, Lou and Marge Chiatlas
