“ Tom, "Bobby & Families, I am sorry to hear of your dad's passing. I know that he was a great father to you and I further know that he shared that quality with any kid in the neighborhood or the Boy Scout troop that would take the time to listen. I am happy to be one of them. I lost my dad a few weeks back and I know that it is not easy. May God grant on to Mr. Casari eternal peace and light.

“ *My Uncle Herman was one person who enjoyed life to its fullest. He was interested in every single person he met. How he loved his family. His love for his family was reflected in the love they showed to him and Hilda day in & day out. He will now be rewarded for all the goodness he showed to others.*

“ *I will always remember Mr. Casari as one of the nicest and friendliest people. He would ride his bike around the neighborhood( always looking for Tom) but Herman would always stop and say hello .he once brought me a flower and to this day I still have it pressed in my bible, just as a remembrance of how nice a person Mr. Casari was. Will always have wonderful memories of him.*
