“ *I am deeply saddened to hear of the passing of my Uncle Herman. He meant a lot to me, we often shared birthday cakes and he really got me started in electronics. He did have a "hand" in raising me and I was able to thank him when we all visited with James and Bea several years ago. He made a comment that he wondered if he should have disciplined me, I assured him that I was now grateful that he did. I remember the train rides and road trips to visit after they moved, that was for me the only good thing about them moving so far away. I am grateful for the time we had together. I wish I had kept in touch with him and his children more. As you can tell since it has been a couple of weeks since we lost him I am not good at writing. That does not mean I am not thinking about all of you especially now at a time of such great sadness. I am a little better at e-mail than mailing letters but I would need addresses.*

“ We truly loved Uncle Herman. After returning from serving in the Air Force and before marrying, he and Gene would take my sister, Gale and brother, Ricky and myself pony riding. It was so much fun being with them. There was a picture somewhere of me as a child with him in his uniform sitting on Grandma's porch swing. After they married and moved to Michigan, we would always receive "mailed" Christmas gifts and at Easter time, we received "mailed" Easter bunnies as kids. It was so good to see him again at Uncle James' 90th birthday party. I like my sister Gale, really enjoyed the conversation with him and the Landers sisters. We enjoyed our visits years ago with his family when we were kids. I wish we had lived closer and could have seen him and our cousins more often.

“ Saddened to hear of Uncle Herman's passing and I am so glad that we got to see him at Bobby's house not long ago. Although older, he had not changed over the years and we really enjoyed his company, especially the stories of his youth shared with Nita & Shelby Landers. Wish we could have spent even more time with him.

“ Although we didn't visit very often, Uncle Herman was my favorite uncle. My thoughts and prayers are with you all.
