“ JoAnn and family,
My heart goes out to you all with the loss of Hilary. We all will miss him so very much. I am just so glad we came up there to visit you all. It was a very nice visit. Hilary had a good time that day. We all had some good laughs with him. He was up and around well then. He enjoyed seeing the girls too. Let's keep in touch as we have been. Todd says it is nice to know he had the view of the lake to see, before he passed away. We love you all.

“ Joann & Family,
Our hearts are heavy today thinking about the loss of "Uncle Hilary". What a lasting impression he left on us all for the short period of time we spent with him. The girls absolutely loved going up to visit in the summer. Getting ice cream, going tubing, swimming, fish night, but most of all the entertainment! The same entertainment Kenny and I were so lucky to share in the last couple of years. It became our favorite place to go. Nice relaxing and ENTERTAINING summer weekend with family. Listening to and enjoying your family and Uncle Hilary. What a GREAT man! We are thankful for the times we spent with him and you. He was quite a card! We will all miss his smile, crazy remarks & funny stories!
Our thoughts & prayers are with you and your family,

“ *Uncle Hilary has always been a great influence in my life. When I was young some of the best memories I have are of the cabin in Roscommon. We rode motorcycles, canoed on the Au Sable river and camped. I loved visiting with Uncle Hilary and Aunt Joanne because we always had so much fun and were always welcome. I learned alot from Uncle Hilary and try to be the same kind of man that he was. He always liked to have fun and let the kids go wild and just laughed. He will be greatly missed by my family but the memories will always be here with us.*
