“ *Im truly sorry to hear about your lost. Horst will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Horst again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Horst seems like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ I worked with Horst at ANR Pipelline Company. Although I worked in a field office outstate from Detroit, our paths crossed many times. I enjoyed working with him. Here is a lighter memory. When we traveled, we would often meet somewhere along our route. With Horst, it was always at a McDonalds. I always reminded him that there were other places to eat. He never listened. My thoughts and prayers are with the Wichman Family.

“ Horst was a good bus driver and a fellow conservative. I always enjoyed talking to him about politics, guns and Atlas Shrugged. It was just last August that I heard his voice in the crowd on Mackinaw Island, and turned to see him six feet away with his wife and four granddaughters. What a coincidence! You left us too soon. RIP friend!

“ To the Family of Horst Wichmann, Few Men I know lived for his Family the way Horst did. I do not believe in twenty years of working together that not a day went by that Horst did not share a thought or story of his family life. I'm honored to call Horst my friend. My prayers to Family.
